Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

How You Approach Relationships

You are so dependable, deliberate, and down-to-earth. You wouldn't think of living without plenty of security and your share of material success. Who could guess that you would be so daring when it comes to relationships? That you could reach out for, and get, what others don't dare dream of having. You like partners who are ever so intense, commanding, and very secretive. Their love of secrecy, power plays, and intrigue keeps you always fascinated and involved. How could such a relationship endure? But the funny thing is that they do.

Scorpio on 7th Cusp

You like partners who are intense, passionate, and confrontal. You depend on your relationships to keep you honest and down-to-earth. Your friends may find that your lovers tend to put you through a lot of changes. There is no such thing for you as a casual or trivial affair. You like it hot, revealing, and sexy.

Strengths in your relationships

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

Moon Trine Neptune (orb: 01 33')

Good things tend to come your way, and you could end up with a lot of money, property -- possessions of all kinds. You are by nature generous, and probably give as much as you get. There could be a love of travel and exploring, finding your own way through life. You tend to appreciate authority, your elders, and conservative values. Others will value you for your warmth and openness. You are quite fortunate.

Venus Trine Jupiter (orb: 04 06')

You have a knack for coming up with just what the crowd wants. You are nothing else if not an original. You can take an ordinary event and turn it into something brand new, really special. You may have had a somewhat unusual upbringing, and you like a partner who is independent and also a bit unusual. Things are seldom boring with you, for you always have just the right idea of what to do.

Moon Trine Uranus (orb: 04 32')

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

Mars Conjunction Saturn (orb: 04 36')

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

Mercury Trine Jupiter (orb: 04 55')

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

Moon Conjunction Venus (orb: 06 28')

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

Sun Conjunction Mercury (orb: 07 53')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Trine Saturn (orb: 08 52')

Challenges in your relationships

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

Mercury Square Mars (orb: 01 03')

You may be somewhat of a rebel, with a history of going up against authority. You like to stand alone -- an outrider at the fringe of society -- like the old-time outlaws. You have a knack for separating yourself from the herd. You end up as the loner, although this is not always what you want. You need a partner in this life, a go-between for you and the status quo.

Sun Square Uranus (orb: 02 06')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 02 14')

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

Venus Opposition Pluto (orb: 03 12')

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

Moon Opposition Pluto (orb: 03 17')

Everyone would agree that you make a good critic, although not everyone would agree that you are always fair. You don't like opposition. In conversations, you may find yourself squelching others' points of view. You have great mental endurance and tend to involve yourself in projects that most would find tedious. You like repetitive work.

Mercury Square Saturn (orb: 05 39')

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness

could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Square Mars (orb: 06 50')

Report for John Hopkins Your Relationship with Julie Hodges

She has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing her you feel more accepting of the way life and the world are. She is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with her, you can become very accepting, tranquil, almost sweet.

Her Moon in Your Twelfth House

Julie may have appeared first as a teacher, guide, or instructor. In particular, she represents someone who shares your thoughts on religion, philosophy, and other matters of the spirit. Late night talks extending into the wee hours are likely. These long talks could end in long walks or trips together. You really would enjoy traveling together. Here is someone who appeals to your deeper, more reflective side. This relationship has an honest, direct feel to it.

Her Sun in Your Ninth House

Here is someone you could talk to all night. Discussions almost always transcend the mundane and get right into the reality of things. You may not have thought you liked this kind of metaphysical conversation before meeting Julie. There is an almost religious quality to them. You may tend to look to her as some kind of authority or guide in matters of the spirit. These tend to be memorable conversations.

Her Mercury in Your Ninth House

Here is a natural partner, one you find both charming and attractive. Julie shares your social values and has similar needs when it comes to relationships. She values your particular social qualities and the way you relate and feel about others. You both tend to respond to situations in similar ways. Something special seems to happen when you two get together. It's as if you both are in love with love.

Her Venus in Your Seventh House

Julie has the effect of moving you to give up old habits and unwanted traits. She motivates you to greater will power and self-control than you might achieve on your own. If you're not up to it, she may tend to badger and shame you a bit. All in all, her influence results in your throwing aside many a burden and assuming a more willing and receptive attitude.

Her Mars in Your Twelfth House

She tends to lead you away from the bright lights, and shows you the value of home, family, and security. Julie does not force this upon you. Through her you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. She is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

Her Jupiter in Your Fourth House

A serious and perhaps lasting relationship, but not necessarily a romance. Julie can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to her, for she might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

Her Saturn in Your Seventh House

Julie could be your key to off-beat life styles, alternate ways of living, and new-age homes. Perhaps your home life and day-to-day routine has changed since you first met her. She may encourage you to try different methods of child-rearing, homesteading, or family methods. The traditional life style is just not Julie's way.

Her Uranus in Your Fourth House

If this is anything else but a brief philosophic or artistic tryst, you may have to take some preventative measure. Julie tends to get you carried away to the point of neglecting responsibilities -- the details of life. Somebody has to empty the garbage, and she may not be the first one to suggest it. She may bring a soothing relief to some of the harsher aspects of life. There is a real temptation to escape from all the little details.

Her Neptune in Your Sixth House

This is a very volatile and passionate combination. You find that Julie challenges the way you express and feel about yourself. The two of you may get locked in a power struggle for control. Things are seldom dull. With her help, you may go through a transformation that leaves you feeling ever so much more creative and confident. You could be able to shed a lot of uptightness and repressed habits.

Her Pluto in Your Fifth House

Report for John Hopkins Strengths in your relationship with Julie Hodges

Your Venus Sextile Her Moon (orb: 00 08')

This could be a very physically satisfying relationship, one with lots of action and good emotional exchange. Work hard; play hard. You may have a healthy sense of competition, since you both tend to urge the other to greater heights. Sports or exercise could be important.

This could be an excellent partnership, whether romantic or otherwise. You feel that you can really get behind Julie and push her on to new heights. Feelings run high, and there is always lots of action.

Your Mars Trine Her Sun (orb: 07 01')

Challenges in your relationship with Julie Hodges

You may feel that her attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering her neat little universe from time to time. You feel repressed by her.

Your Mars Opposition Her Saturn (orb: 00 56')

She is critical of your ideas, and you may feel somewhat tongue-tied when you are around her. She may feel that you refuse to consider her problems or that you dismiss them with a few words.

Your Mercury Square Her Saturn (orb: 01 59')

You may feel that Julie may not always appreciate you enough and that she purposely doesn't give credit where credit is due. You may act and do things that go against her set of values.

Your Sun Square Her Venus (orb: 02 01')

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

Your Sun Opposition Her Pluto (orb: 02 14')

You won't support what you feel are unrealistic notions and fantasies on her part. Her escapism does nothing for you. You feel she should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

Your Moon Square Her Neptune (orb: 02 55')

Julie may feel that she doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions she makes upsetting to you emotionally. Her basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Opposition Her Jupiter (orb: 04 09')

Julie's feelings of independence, and her unusual ways, tend to rub you the wrong way at times. You refuse to support her oddball ideas. She may find you restricting and unimaginative. There is definite disagreement here.

Your Moon Opposition Her Uranus (orb: 04 38')

You may find her influence limiting and even oppressive at times. She may tend to cling to you, and there is this sense of never being able to really get going. There may be authority problems. She may view you as harsh or restrictive.

Your Sun Square Her Saturn (orb: 05 54')

How You Approach Relationships

A visionary, no doubt, and determined to put all your dreams to work and make them real. You are always looking at the big picture. Others tend to feel you have an almost stark vision of reality and a sense of the future -- of how it will someday be. You play no favorites and are committed. You wonder whether your deep commitment to humanitarian goals may preclude something so personal as a relationship, real love. Yet you need the bond of love and family, and are drawn to warm, effusive, and even vain types -- those with a real sense of themselves, gregarious and playful. A penchant for the artistic and self-absorbed. You love to bring them out and educate them to the demands of the real world.

Leo on 7th Cusp

You like someone you can feel pride in, who is very self- expressive and has a commanding presence. You tend toward warm and outgoing types, and there is always a sense of the healthy and good about any of your partners. Kind of a storybook hero.

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

Mercury Sextile Saturn (orb: 03 46')

You communicate with consummate skill, and it is stimulating just being with you. Mars Trine Jupiter (orb: 06 31')

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Square Sun (orb: 02 54')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. Report for Julie Hodges Your Relationship with John Hopkins

He has a healthy psychological effect on you. You probably have long and involved discussions, perhaps secluding yourself from the rest of the world for a time. Through knowing him you feel more accepting of the way life and the world are. He is supportive of the tendency in yourself to forgive and forget, to suffer the pangs and arrows of life in favor of its better qualities. When you are with him, you can become very accepting, tranquil, almost sweet.

His Moon in Your Twelfth House

You may not be famous for your willingness to sacrifice, but if anyone can get you into this mode, it is John. He has a way of encouraging you to let go of a whole lot of small grievances that you have hung onto in the past. Somehow it's very clear when you're with him that they are not worth the hassle. He really helps to separate the wheat from the chaff in your character. You get the feeling that you are about to be a lot better person. It's not a totally unattractive feeling.

His Sun in Your Twelfth House

You probably have some very unusual communication with John. He is not afraid to speak about spiritual ideas and does not draw the line at just talking. You may find yourself examining your actions and motives when you are with him. You come away with a feeling that you need to give more of yourself, be more long-suffering, put up with more. He tends to bring out a self-sacrificing quality in you. You find yourself letting go of the unessential and frivolous, choosing the moral and the good. It's not the worst thing that could happen.

His Mercury in Your Twelfth House

It's not everyone that can have the side-effect of making us feel a little saintlike. This does happen when the two of you get together. He manages to find qualities in you like self-sacrifice and forgiveness that you may have overlooked in yourself. In John's "light" your better qualities get exposed. He appreciates your more dreamy and psychological side too. There is a lot of silent rapport there.

His Venus in Your Twelfth House

John could be a positive asset when it comes to business and financial concerns. He can provide drive and may push you to improve yourself, make more money, etc. There is incentive here for you to respond to whatever opportunities may be latent in your situation. You may become more active in this regard as a result of this relationship. Money and possessions get a boost. The relationship may involve some jealousy and possessiveness.

His Mars in Your Second House

Conversations with John are more than just stimulating. You find them instructive, producing solutions to questions that you may have wondered about for years. He seems to have a knack for guiding you in just the right direction. You admire his mind and good judgment. He may encourage you to speak, write, and in some way communicate to a fuller

extent.

His Jupiter in Your Third House

John may tend to put a damper on the conversation. No matter how bright you may be feeling, he probably remains cool to any of your eloquence -- despite it. He is a person of few words when it comes to you. On the other hand, he causes you to cut back on the outflow of words and to think about what you're saying. You have to work to get your words out. There could definitely be a communication problem here.

His Saturn in Your Third House

Communication with John is stimulating and full of brainstorming and flashes of insight. He is an original thinker and always has a way to get a new slant on old problems. His influence could affect anything you do in the way of thinking, speaking, writing, electronics, technology -- communications in general.

His Uranus in Your Third House

He exerts a powerful dreamy influence over you which could appear as a perfect union. There is no doubt that the two of you may run around together in a kind of trance. Your social life may have all of the attributes of an award-winning movie. Your friends may feel that you are the perfect couple. Chances are you will wait for a clear day to see if what you have will last. Dancing, late nights, bright lights, big cities are in order.

His Neptune in Your Seventh House

He exerts a powerful influence on your habits, especially when it comes to self-improvement. He may revolutionize your ideas of eating, health, exercise, and taking care of yourself. You may find that your work habits change through knowing him and that you are more aware of subordinates than you were. All of this is not likely to be a tranquil change. He is almost ruthless when it comes to revealing your weak spots and urging you to do something about it. All in all, this could be a very valuable experience.
